

## Projectainment123

— An unique workshop experience to bridge theories into practice

**Do you need to run projects from time to time?  
Have you already exposed to some PM theories before, yet not able to apply fully your knowledge and skills in real life? Or you found it difficult even to apply PM theories at work place?**

If your answer is "YES", **Projectainment123** is here for you!  
**Projectainment123** is a new way of learning methodology developed to **bridge fun, theories, and real life situation into an ALL-IN-ONE environment**. Our facilitator will create a simulated workplace with a newly invented board game, to guide you through **how to perform the following while balancing the scope, time, cost, and quality constraints**

1. **tackle problems in limited amount of time;**
2. **brainstorm effective solutions;**
3. **presentation tricks** in front of project sponsor so as to set the proper expectation
4. **Make decisions, including tradeoffs**

**After the game, our facilitator will walk you through the [real-life checklists](#) for you to manage your project constraints.**

Beside the above unbeatable contents, you can also entitle to

- gain **8 PDUs** or CPDs
- **Free** 1 year IAPPM annual membership - worth HKD 580 (and you also entitle for a **free seat** of HKD 580 IAPPM workshop! - gain **4 extra PDUs!**)

**Don't hesitate, please ACT NOW and REGISTER for this workshop and start walking the PM talk!!!**
